

CHART
OF THE
AÇORES (HAWKS) ISLANDS,
called also
FLEMISH AND WESTERN ISLANDS
from M^r D'ANVILLE with several Additions.

at this Place
a Volcano came out of the sea
the 22^d of December 1792. &
went to the bottom the 27^d of November 1793.
It had appeared already in 1638.
No Fishes were found on the very Spot
which it Occupies.
