

UNITED STATES DEPARTMENT OF AGRICULTURE,
BUREAU OF PLANT INDUSTRY.

FOREIGN SEED AND PLANT INTRODUCTION.

Washington, D. C., July 21, 1914.

Director, Botanic Gardens,
Coimbra, Portugal.

Dear Sir:

This Department will much appreciate a statement from you in regard to the results secured from the seed of Kokia rockii Lewton, the rare Hawaiian malvaceous tree, sent to you in April, 1913. The seed was sent under our introduction number 34665.

It is desired to know how many plants you now have growing and what their condition is, also if you would like to receive additional seeds or small plants if available.

Very truly yours,

David Fairchild

Agricultural Explorer in Charge.

Y/DS
