

Kew

2 June, 1915

My dear Colleague,

Please accept my warm thanks for so kindly arranging to have some seeds of Ornithopus cbracteatus, Arist. collected on behalf of Kew.

Please also accept my grateful thanks for the seeds of Begonia baccata, Hook., from the island of San Thomé, which are very welcome.

The plant of which you have enclosed a specimen to be named we have matched in the Herbarium here with

Asphodelus viscidulus, Boiss., var.
micrantha, Baker.

With kind regards

Believe me to be

Yours sincerely
