

Kew. Jan. 21. 1901

Dear Sir,

In answer to your enquiry of the 14th inst. Sir William Threlton-Dyer desires me to say that notices upon the subject of Colonial Botanic Gardens have, from time to time, appeared in the Kew Bulletin, but that

he knows of no work  
dealing specially with  
it.

Most of the Indian  
and Colonial Gardens,  
however, issue guide  
books which contain  
the sort of information  
that you desire, and  
these might be obtained

upon application to the  
various establishments.

Believe me,  
yours faithfully,

S. T. Dunn.

M. le Prof. Henriquez.
