Dear Sir

The two boxes which you  
were so good as to send  
us have safely reached  
Kew. The contributions to  
our museum and herbarium  
were most acceptable

The specimen of Crithma  
"de nobis Africae" agrees

were with the C. succinba  
of our S. Indian plantations

The parcel for Mr. Ball  
was duly forwarded to him.

The Curator of our  
Museum has carefully  
gone over the Museum  
specimens which you  
sent and I inclose

a list, such as he  
has been able to  
identify

Believe me

Yours very faithfully
